FIG. 4A

FIG. 4A is a check-out form with a rounded rectangular border. At the top, it is titled "Check-out" with a horizontal line above and below the text. Below the title, there are five input fields: "Card Type" (a solid rectangular box), "Card Number" (a dashed rectangular box), "Name" (a dashed rectangular box), "Address" (a dashed rectangular box), and "Option" (a solid rectangular box containing four small vertical bars). To the right of the "Option" field is a "Back" button. A bracket labeled "100" groups the "Card Number", "Name", and "Address" fields. A bracket labeled "104" groups the "Option" field and the "Back" button. A label "110" points to the "Card Type" field, and a label "112" points to the "Option" field.

FIG. 4B

FIG. 4B is a check-out form with a rounded rectangular border. At the top, it is titled "Check-out" with a horizontal line above and below the text. Below the title, there are five input fields: "Card Type" (a dashed rectangular box), "Card Number" (a solid rectangular box), "Name" (a dashed rectangular box), "Address" (a dashed rectangular box), and "Option" (a solid rectangular box containing four small vertical bars). To the right of the "Option" field is a "Back" button. A bracket labeled "102" groups the "Card Type" and "Card Number" fields. A bracket labeled "114" groups the "Name" and "Address" fields. A label "112" points to the "Option" field.
